

La manzanita

Carol Perkins

Edinburg, Texas

Powerpoint by Stanley A Lucero, 2012

En ésta casa roja, roja, roja

En ésta casa roja vivo yo

En ésta manzanita, manzanita

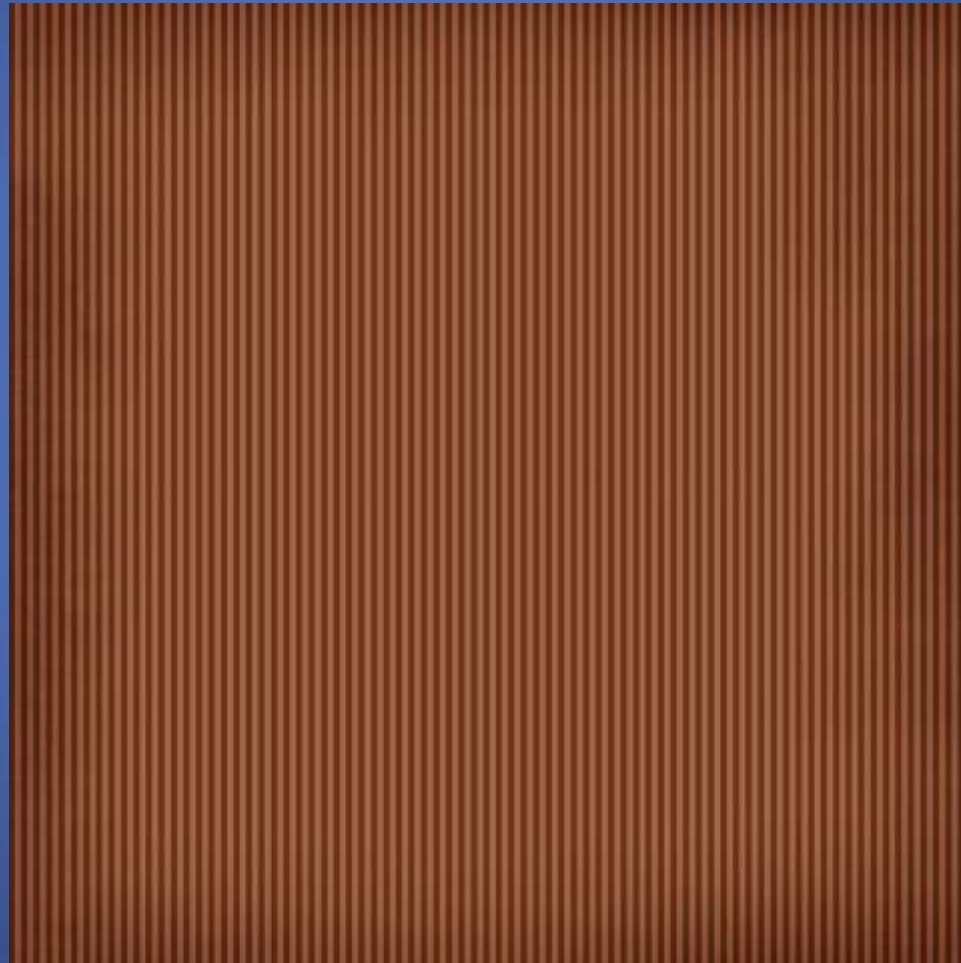

En ésta manzanita vivo yo

Tiene una chimenea, chimenea

Tiene una chimenea color café

Ya sé que es muy bonita mi casita

Es muy bonita ya lo sé

The Elm Group

The **ELM Group** is proud to present this wonderful group of songs by Carol Perkins in Spanish and English, digitally re-mastered on a set of four compact discs. We have also replaced the old song book with a new, well-organized, illustrated Teacher's Guide, which includes the lyrics to the songs as well as lesson suggestions.
