

# MADERA SENIORS RECEIVE THE SEAL OF BILITERACY

Stanley A. Lucero, June 2012

I would like to extend my personal congratulations to the Madera High School and Madera South High School seniors who qualified to receive the Seal of Biliteracy on their high school diploma. The Seal of Biliteracy certifies that the seniors have reached high levels of proficiency in all domains of two languages [listening, speaking, reading and writing] in addition to maintaining a grade point average of "B" or above. Please extend your congratulations to the students whenever you see them.

I would also like to extend my personal thank you to the two High School Principals who made the Seal of Biliteracy available to their qualifying seniors: MHS Principal - Kent Albertson and MSHS Principal - Sandon Schwartz. The Seal of Biliteracy was spearheaded by Alma DeLuna, Director of English Language Development. Thanks to all district employees who were involved in the Seal of Biliteracy committee.

For more information about the Seal of Biliteracy, go to the Californians Together website and download the "New Seal of Biliteracy Information Booklet": <http://www.californianstogether.org/>
